Access Diploma *Programmes* *Guide*

Follow your own *pathway!*

For over twenty years, the Access Diploma Programme has represented the University's efforts to ensure that higher education is within reach for all members of society. Over 3,000 students have participated in University of Galway Access courses over the lifetime of the programme, representing 3,000 people whose lives have been significantly changed by educational opportunity. These programmes have been offered in Galway city and county, and throughout our region – addressing economic, social, geographic, and other barriers to higher education.

The Access Programmes Office is part of the Access Centre. The aim of the Access Centre is to create a supportive learning environment where students who have experienced socio-economic disadvantage, students with disabilities and mature students are enabled to access and succeed in third level education. This involves a wide range of educational approaches and specialist services that include the Disability Support Service, Mature Students Officer and the Traveller Education Officer, and are targeted at large numbers of students who are classified by the Higher Education Authority as 'non-traditional'.

Access Diploma Programmes Information Evening – Inclusive Learning

Visit our website for the dates of our information evenings.

This special information evening is designed particularly for school leavers and mature students, who never had the opportunity to study at third level and could not for a diverse range of reasons perform to their full potential academically. It is aimed primarily at those on a low income and/or who have long-term disabilities. It is an annual event to reach out to community that university is accessible to all and particularly to those who thought college was out of their reach. These courses build confidence in self, ability and supports each individual to reach their full potential.

Representatives and past students from our Access Centre will be there to advise and talk with you on the Access Diploma Programmes, financial aid, and support you while deciding to take that first step into education and to encourage you to reach your full potential.

Is this the pathway for you?

Are you eligible for an Access course?

University of Galway's Access students can be either school leavers (22 years and under) or mature students (23 years and over) who are generally part of under-represented groups in higher education.

They are mainly from socio-economically disadvantaged backgrounds, students with disabilities and mature students including adults who may be in low paid employment. You must be resident in the Border, Midlands and Western (BMW) region or in County Clare for at least 1 year prior to the commencement of the course.

You will not be eligible to participate on an Access diploma course if you already hold a third-level qualification (Level 8 or higher), but you may apply if you commenced, but did not complete, a third-level course in the past. Your family income should be low enough for you to qualify for a student maintenance grant when you progress to third-level.

The financial and social reasons considered for eligibility for the programme include:

- Long-term unemployment
- Low family income
- Little or no family tradition of progression onto higher education
- Family stresses (particularly those related to family finance)

Access diploma programmes are designed to provide a supportive educational environment which prepare students academically and personally for an undergraduate programme at third level. University of Galway currently deliver a number of Access diploma programmes for school leavers (22 or under) and mature students (23 or above) on campus in University of Galway, as well as in our outreach centres in Tuam and a bilingual course in An Cheathrú Rua.

The preparatory programmes are student centred and are delivered in a very supportive environment by experienced tutors and staff.

The overall aim is to give the chance of college to everyone and to provide an opportunity to progress to full-time or part-time degrees upon successful completion of the course. Continued support is provided to all students by the Access Centre

The Application Process

What Our Access Centre Students Say

The benefits of completing the Access course for me have been invaluable. I have received an amazing foundation from which I learned important skills to start an academic journey as an undergrad. I have learned how to study and write academically, to use technology and different programmes in accessing education due to the pandemic. I also benefited from the ongoing supports of the access office which assisted me, as a student to do my best. I was able to study and learn the material provided and I was able to advance my knowledge in subjects and areas that will help me in my chosen college course in the upcoming year.

The University of Sanctuary Scholarship

The University of Sanctuary Initiative at University of Galway aims to increase public awareness of International Protection and Traveller-specific topics across campus, in order to address the low levels of participation of International Protection Applicants, refugees, vulnerable immigrant groups, and Irish Travellers in third level education. These groups are too frequently excluded from education due to inequitable societal barriers, and we feel that through our actions we can make University of Galway a much more inclusive and equitable campus.

As part of our initiative, we are introducing a number of scholarships for both undergraduate and postgraduate courses at University of Galway which are open to International Protection Applicants, refugees, vulnerable immigrant groups, and Irish Travellers.

Full details available at www.universityofgalway.ie/sanctuary or email uni.sanctuary@universityofgalway.ie

Seo mar a Labhair Mic Léinn an Ionaid Rochtana

Tá sé deacair cur síos ar a luachmhaire is a bhrí an cúrsa Rochtana dom. Ba iontach an bunús foghlama a fuair mé agus as ar shealbháigh mé scileanna tábhachtacha a chabhraigh liom tús a chur le mo thuras acadúil mar fhochéimí. D'fhoghlaim mé an chaol staidéar a dhéanamh agus scríobh go hacadúil, chomh maith le ríomhchlár teicneolaíochta éagsúla a úsáid, i ngeall ar an bpaindéim, chun rochtain a fháil ar sheirbhísí oideachais. Bhain mé léas chomh maith as tacaíocht leanúnach na hOifige Rochtana a chabhraigh liom, mar mhac léinn, mo dhícheall a dhéanamh. Bhí mé in ann staidéar a dhéanamh ar an ábhar foghlama a cuirfeadh ar fáil dom agus cur le m'eolas in ábhair agus i réimsí a rachaidh chun tairbhe dom nuair a thabharfaidh mé faoin gcúrsa atá roghnaithe agam sa bhliain romham.

Caroline O'Toole

"Tá mé ag dul isteach sa 3ú bliain san Eolaíocht Bhitheolaíochais. Thosaigh mé ar an ollscoil trí chúrsa an Ionaid Rochtana do Mhic Léinn Lánfhásta, áit a ndearna mé an clár eolaíochta. Tá mé tar éis bualadh le mórán daoine suimíúla ann agus tá cairde saoil déanta agam. Mhothaigh mé go raibh na teagascóirí cabhrach, éasca teacht chucu agus iad i gcónaí sásta cabhrú liom. Mar gheall ar a dtiomantas, a ndíograis agus a ndúthracht, cuirteadh ar mo chumas agus ar chumas mórán mac léinn eile a n-aisling a fhíorú. Níl sé riamh ródhéanach tabhairt faoi do mhianta oideachais a bhaint amach. Féadfaidh duine ar bith é a dhéanamh."

Is féidir le mic léinn Rochtana Ollscoil na Gaillimhe a bheith ina bhfágálaithe scoile (22 bliain agus níos óige) nó ina mic léinn iánfhásta (23 bliain agus níos sine) arb as grúpaí faoi ghanntionadafocht iad go ginearálta i gcomhthéacs an ardoideachais.

Tagann siad den chuid is mó ó chúlraí socheacnamataíochta faoi mhíbhuntáiste, nó is mic léinn faoi mhíchumas iad, nó mic léinn iánfhásta, a n-áirítear leis sin daoine fásta a d'fhéadfadh a bheith ag obair ar phá íseal. Ní mór duit a bheith i do chónaí i réigiún na Teorann, Lár na Tíre agus an Iarthair (BMW) nó i gContae an Chláir ar feadh bliana ar a laghad roimh thús an chúrsa.

Ní bheidh tú i dteideal áit a fháil ar chúrsa dioplóma Rochtana má tá cáilíocht tré leibhéal agat cheana féin (Leibhéal 8 nó níos airde), ach is féidir leat iarratas a dhéanamh más rud é gur chuir tú tús le cúrsa tré leibhéal san am a caitheadh, ach gan é a bheith críochnaithe agat. Ba cheart go mbeadh ioncam an teaghlaigh sách íseal le go mbeidh tú in ann cur isteach ar dheontas cota bhála mic léinn. I measc na gcúiseanna airgeadais agus sóisialta a áirítear le bheith incháilíthe don chláir tá:

- Dífhostaíocht fhadtéimhseach
- Ioncam an teaghlaigh a bheith íseal
- Gan aon taitní nó gan mórán taitní ar an ardoideachas a bheith ag an teaghlaigh

Tá deiseanna ardoideachais ar fáil do gach duine den phobal le fiche bliain anuas i ngeall ar iarrachtal na hOllscoile trí Chláir Diplóma an Ionaid Rochtana. Ghlac níos mó ná 3,000 mac léinn páirt i gcuarsal Rochtana in OÉ Gaillimh ón uair a bunaíodh an clár. Is ionann é sin agus 3,000 duine a bhfuil difear suntasach déanta dá saol ag na deiseanna oideachais sin. Tá na cláir seo á dtairiscint i gcathair agus contae na Gaillimhe, agus ar fud ár réigiúin, agus cabhráonn siad dul i ngleic leis na constaicí atá roimh dhaoine rochtain a fháil ar ardoideachas, bíodh na constaicí sin i bhfoirm eacnamalach, shóisialta, gheografach nó eile.
